

Buzzlegrams!

Can you crack the 12 beekeeping-themed anagrams? Use the clues below to solve them!

1 PRAYAI

A place where beehives are kept.

2 WARMSIGN

When bees leave the hive, often in a group, to establish a new colony.

3 QEUXEDERCELNU

A device used to prevent the queen bee from entering certain areas of the hive.

4 SRMEKO

Tool used by beekeepers to encourage bees off of the frames

5 NLLPEO

Powder-like substance collected by bees from flowers.

6 CHEMONBOY

The structure made by bees to store nectar, pollen, and house developing larvae.

7 ASIATRIP

Another name for a beekeeper.

8 POOLSRIP

Resinous substance collected by bees, often used to seal cracks in the hive.

9 CUREITPAUL

The practice of keeping and caring for bees.

10 MOBC

Bees build this to store honey and pollen.

11 PURSE

The box placed above the brood chamber to collect honey in a beehive.

12 PEERSOIDEAL

A yellow-flowered plant whose seeds are used to produce oil and are a key forage for bees.
