

JANUARY 2026

# Try the Subeeku!

	1	2	3	4	5	6
A						
B						
C						
D						
E						
F						

## HOW TO PLAY:

Fill in the missing spaces in the grid so that each symbol appears once in every row, once in every column, and once in each 2x3 subgrid.

**Symbols:** The available symbols are:

Enter your answers into the form at the bottom of the Jem's Bees® puzzles page. The answers for this challenge will be available when the next puzzle is released.
